

Practice: Corporate and Commercial

Summary of Post:

This position calls for law practitioners with proven relevant experience in dealing with Corporate and Commercial matters. The position requires direct collaboration with the Partner(s) in charge of the practice.

TO QUALIFY FOR THE POST;

You should;

- Preferably qualified as a barrister and have at least 3-5 years' experience within the Corporate and Commercial practice area.
- Have practical hands-on experience dealing with transactional corporate and commercial matters.

YOUR RESPONSIBILITIES;

You will be required to;

- provide effective solution and advice to clients.
- provide legal opinions on corporate and commercial matters.
- draft and review legal documents, agreements and other transaction related ancillary documents.
- attend conference calls and meetings with clients.
- contribute to writing legal notes, articles, and other publications.
- work in a fast-paced environment.

CORE COMPETENCIES

Legal Technical skills

- To apply legal knowledge and skills in a practical and commercially savvy manner.
- To display an in-depth knowledge of the core laws and principles applicable to the corporate and commercial practice.

Communication & Teamwork

- To generate well-structured legal documents.
- Embrace teamwork and thrive in a team environment by demonstrating good listening skills, acknowledging opinions, and actively participating in discussions.

Results driven & Client Focus

- Is capable of handling high volumes within tight deadlines without compromising quality.
- Demonstrate sensitivity in dealing with client matters.
- Establish and maintain professional rapport with clients.

Ethics & Values

- Act with integrity, honesty, and transparency at all times.
- Foster a pleasant work environment by engaging in a positive and respectful manner.
- Passion for Law; shows commitment, drive, and devotion.
- Engage in learning and sharing knowledge.
